

NOMINATIONS FOR LEEANN MIELE SPIRIT OF SKATING JUDGING AWARD

THE THIRTEENTH ANNUAL

LeeAnn Miele is rightly remembered for her role as an international and world judge in synchronized skating, and her place as a national judge and referee with the U.S. Figure Skating in all disciplines. Her greatest legacy may, in fact, be the legions of skaters and the host of judges whose participation in the sport she tirelessly nurtured and encouraged. Despite a rigorous judging schedule and her international role in Synchronicized Skating, LeeAnn was a friend to all skaters. She was never too busy to judge a local competition at the smallest club. She always had time to help an individual, a coach, or a team in understanding just “what judges want to see” in a skating program. She devoted countless hours helping prospective judges cope with the formidable learning requirements and on-ice experience needed for them to succeed. Those countless hours of advice and support fostered the enthusiasm and dedication of two generations of skaters and judges. As a result of her love for skating, she left a wonderful legacy.

To honor her memory and give homage to others who exemplify those ideals, her friends have launched an annual judge’s award. The award is being coordinated through the *New England Amateur Skating Foundation*, a non-profit organization created by the late founder and philanthropist, Herb Kaplan of Rhode Island. A committee of LeeAnn’s friends and colleagues will review the nominations and choose the recipient based on the enclosed criteria. This award is presented annually at The Providence Open. Previous winners of the award were Elaine Hickman, Ann Fauver, Bill Appeltofft, Helen Oak, Shirley Holdsworth, Evelyn Minter, Jane Reno, Rena Krane, Nancy D’Wolf, Esterica McGill, Bobbie Parkinson Wendy Enzmann, and Robert LaMontagne, and Anne Gerli.
