COMPETITION INFORMATION, RULES, ELIGIBILITY AND TEST LEVEL

SPECIFICS:

High school competitions are run as U.S. Figure Skating, sanctioned non-qualifying competitions. **Sanction #28990**

Athletes participating in these events are considered to be student-athletes. Their education is of the highest priority, and in all decision-making matters, the Program Development Committee and the NEICC Organizing Committee (NEICC) have a responsibility to minimize the days missed from school.

Athletes must be eligible members in good standing of U.S. Figure Skating, and may be members of the figure skating club of their choice or be individual members of U.S. Figure Skating.

1. A minimum of two (2) skaters are required to form a team.
2. Competitors must be currently enrolled in a high school as a full-time student, as defined by the institution that they attend. This includes both traditional and home school students.
3. Athletes may compete either for the high school they are attending, or for an area high school team in their district. Competitors may not represent more than ONE high school team.
4. Home-schooled students may join a school team with permission from the school Athletic Director of the team they are joining.
5. High schools may combine as per state specific High School Athletic Association (HSAA) rules. All combined teams must be listed on the team application form.
6. If combined teams are not from the same school district, the following rules apply: An administrator from each school must sign the team entry form. All skaters from the combined schools must be allowed to skate on the team. Combined teams not adhering to these guidelines will be disqualified.

7. Team members may include both ladies and men.

8. All skaters who enter must be in at least 9th grade and be enrolled as a student in the high school as per state specific HSAA rules.

9. A skater will not be allowed to participate unless they have a signed Skater Entry Form on file with the Registrar at least one week prior to the competition.

10. No skaters may be added after the deadline, except with special permission of the NEICC.

11. A competition will not be canceled unless there is a state of Emergency declared in the area where the rink is located, even if school districts of participating teams have closed or cancelled events. Points will be awarded based on teams **participating**.

12.. Team banners are encouraged.

13.. Unsportsmanlike conduct & foul language will not be tolerated at any competition and is grounds for disqualification.

ENTRIES AND ENTRY FEES:

Entry fees MUST accompany entry form(s). All team entries and payments (individual and team forms) must be submitted together as one payment. **SANCTION # 28990**

• Applications not submitted with the correct funds will be returned and NOT accepted.

Checks returned for any reason will carry a \$30.00 handling charge and payment of this fee will be required before the skater is allowed to participate in practice ice or events. No refunds will be made for any reason, unless the event is eliminated by the NEICC or chief referee.

The NEICC reserves the right to limit the number of entries, eliminate events due to insufficient entries and combine or divide groups as necessary.

SCHOOL AFFILIATED CLUB (SAC) TEAM MEMBERSHIPS:

All High School Teams participating in high school competitions must register with U.S. Figure Skating by filling out the School Affiliated Club (SAC) Membership and Team Registration Form and paying required annual membership dues by March 1. This application can be found on the High School Programs webpage at <http://www.usfigureskating.org/Programs.asp?id=67> and in the High School Competition Handbook. Teams are required to submit a copy of their SAC application or SAC Certificate for proof of membership with their competition application.

REFUND POLICY:

Entry fees will not be refunded after the entry deadline, unless no competition exists or the event is canceled. There will be no refunds for medical withdraws. The online processing fees are not refundable. In the event that events are cancelled, the NEICC will refund the appropriate entry fees in the manner specified within the competition announcement.

ONLY DATE OF THE COMPETITION IS GUARANTEED. COMPETITION TIMES ARE NOT GUARANTEED and refunds will not be given for student athlete conflict. Estimated event times can be between 7:30am - 9:00pm on event day. This is subject to change by NEICC.

MUSIC:

CDs are the only acceptable media. Music for free skate may have vocals and should have at least one change of tempo (speed). Music for short program may have vocals. The competitor's program must be the only music on the CD and it must start at the beginning.

Music should be clearly marked with the athlete's name, high school name and event. Music must be turned into the registration desk one hour before the event. Skaters are responsible for bringing a backup copy.

LIABILITY:

U.S. Figure Skating, the host figure skating club, high school team and hosting ice arena will not accept any responsibility for injury or damage sustained by participants in the high school competition. This is in accordance with Rule 1600 of the official U.S. Figure Skating Rulebook.

JUDGING SYSTEM:

The 6.0 Majority judging system will be used for all events and levels at high school competitions. The ISU judging system will not be used.

AWARDS:

Medals will be awarded to places 1 – 4 in each event except Team Maneuvers.

Adjustments in available points due to withdraws: The number of athletes in an event will be based on entries as of seven days prior to the start of the event. Withdraws after this date will not affect the number of available points to the athletes who actually complete the competition. Substitutions, additions and changes to the team: With the exception of documented medical reasons or documented lost luggage there will be no substitutions to a team's roster and/or competitive events within the six days prior to the start of the competition. Substitutions may only be made into the level originally entered, and only by a replacement skater who is qualified for that level. Additions to the roster are not permitted after the close of entries. Points will only be awarded to athletes who complete the competition. No points will be awarded to an athlete who withdraws for any reason, under any circumstances

OFFICIAL NOTICES:

An official bulletin board will be maintained at the competition arena. It is the responsibility of each competitor, parent, team and coach to check the bulletin board frequently for any schedule changes and/or additional information. Skaters are requested to arrive 60 minutes prior to the scheduled time of their event. A tentative schedule of events will be posted prior to the competition.

INFORMATION REGARDING COACHES:

U.S. Figure Skating Rule MR 5.11 Coach Compliance In order to be granted access to work within U.S. Figure Skating sanctioned activities, each coach must complete the following requirements on an annual basis by July 1:

A. Must be a current full member of U.S. Figure Skating - either through a member club or as an individual member;

B. Must complete the coach registration process through the U.S. Figure Skating Members Only site, submit proper payment for the annual registration fee of \$30 and, if 18 years of age or older, successfully pass the background screen.

C. Must complete the appropriate CER courses (A, B, C or D) depending on the highest level of students being coached as of July 1. See rule MR 5.12.

D. Must submit proof of current general liability insurance with limits of \$1 million per occurrence/\$5 million aggregate. The NEICC will have a list of compliant coaches who are cleared for a credential at the competition. Coaches will need to check in at the event registration desk and show a government issued photo I.D. to receive a credential.

If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – no exceptions. We strongly urge all coaches to have their cards with them. Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events including practice sessions. Coaching at U.S. Figure Skating events without compliance is an ethics violation which is reported to U.S. Figure Skating and PSA. For more information regarding Coach Compliance, please refer to: <http://www.usfigureskating.org/Content/Coaching%20Compliance%20Toolkit.pdf>
